**REFERENCE:** (A) CIA Memo, dated 8 Aug 1962 (attached)  
(B) AFCIN 104 Memo, dated 23 Aug 1962 (attached)

1. Per my conversation with Major Biely, AFCIN-104, it is not considered by this office, nor by the Chairman of COMOR, that the request in reference A is a matter subject to COMOR consideration. The reports generated by the 67th RIB are not necessarily based on the results of collection efforts for which COMOR is responsible.

2. Since this is merely a request for the addition of NPIC to the distribution list of copies of reports produced by the 67th RIB, request your office ask the 67th RIB to accomplish this as soon as possible.

3. Should you have any questions regarding this request please do not hesitate to call me.
